

Twin Cities German Immersion School is seeking **Substitute Teachers** to join our vibrant learning community for the 2016-17 school year!

Substitute teaching at TCGIS is a great opportunity for German speakers of all levels (conversational to fluent) to brush up on their language skills and share their time and talent with the school's students. Substitute teaching also offers a flexible schedule (you only work when you want to!), with half-day, full-day, and hourly opportunities.

TCGIS requires all Substitute Teachers have completed a Bachelor's Degree and a current Short Term Substitute teaching license through the Minnesota Department of Education. If you do not currently hold this license, but are interested in obtaining it to pursue teaching opportunities, we will be happy to help you through the license application process.

If you are interested in joining our team of educators at TCGIS as a Substitute Teacher, please send a letter of interest, a current resume, and two letters of recommendation to:
